The Jackson Lees conveyancing team are based across the Wirral and Merseyside with offices in Birkenhead, Heswall, Liverpool and West Kirby. Our team of 26 is headed by Angela Hesketh, who has over 25 years of experience and knowledge of working in the region.

Jackson Lees was formed in July 2017 following the acquisition of Lees Solicitors by the Jackson Canter Group in May 2016. The two firms joined forces to establish a legal practice that now employs over 280 people.

Angela says: "Our team aims to have a fresh approach towards conveyancing with the customer at the heart of everything we do. We are constantly looking to improve the legal experience of buying and selling property, striving to make conveyancing more client-friendly and taking the mystery out of the legal process. We work as a team with our clients, their financial advisers and estate agents."

Our Heswall team is headed by Gayle Hough who has specialised in residential conveyancing for over 20 years, with a short break into teaching for a couple of years. Since moving from Oldham to Liverpool in early 2000s and settling here with her family, Gayle has worked across the North West in Crosby, Birkenhead, Heswall and Ellesmere Port.

Gayle qualified as a licensed conveyancer in 2002 and runs an efficient conveyancing service, helping her clients to move swiftly to their new homes. She ensures her clients are kept well informed and receive communication in the best way for them. We believe that this helps clients to stay in the loop, and we don't slow down the process with unnecessary paperwork.

Dominic Byrne is a conveyancer who supports Gayle at our Heswall office. Taking time to understand his clients' needs, he uses his best endeavours to manage their expectations and wishes when buying or selling a property.

Dominic drives the conveyancing process, ensuring that the appropriate action is taken. He makes sure that the legal aspects of the transaction are thoroughly taken care of, to protect the interests of his clients. In his personal life, he is busy planning his wedding which will take place this year.

Gayle and Dominic are supported by Janice and Siobhan who deal with the administration for the team. Together they apply for searches, deal with exchange of contracts and organise completion day arrangements.

Our expert conveyancing team are friendly and down to earth, able to keep smiling and pull together to ensure our clients' home move goes as smoothly as possible.
