

HOLDING BACK THE YEARS! Why not enter our '10 YEARS YOUNGER BY REVITALASER HESWALL' competition.

When it comes to how we look, many of us would like to turn back the clock – now you can make that dream come true for one lucky reader!

We are offering a fantastic opportunity to win top quality skin care treatments worth over £2,000, completely of free of charge, for someone who really deserves some serious pampering. We're asking you to nominate the person you think deserves this wonderful prize and we will help to make them look 'ten years younger', bringing back their confidence and self-esteem.

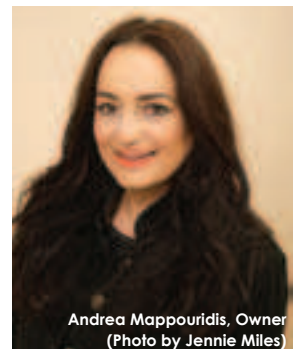

Perhaps you know **SOMEONE WHO HAS HAD A BAD ACCIDENT, SUFFERED MISFORTUNE, or been SERIOUSLY ILL** and is now fighting back to recovery. Or do you know a **NEW MOTHER** who is trying to rebuild her confidence and get back to work or a **BRIDE** who wants to look extra special on her

wedding day? It could be a **CARING NEIGHBOUR, A GOOD FRIEND, SOMEONE WHO GOES THAT EXTRA MILE** – someone who does a great deal for other folk in the community, but never thinks of themselves.

Actually, it may be that you would like to nominate **YOURSELF** for this prize and that's fine too!

The prize will start with a full and detailed assessment from our skin care experts who will put together a programme of treatments for the lucky winner. This could include painless laser hair removal, injectables, 3D-lipo for inch loss and fat and cellulite removal, tattoo removal, non-surgical face lifts, removal of thread veins, skin tightening, skin tag and warts removal.

We want to hear from you. All you need to do is call into our multi award-winning skin care clinic to collect an application form. We are conveniently located on Telegraph Road, right opposite Heswall Library. Deadline for receipt of applications is Saturday 31st March 2018, and the winner will be announced in the April issue of *Heswall Magazine*.
