

It's Time to Enjoy the Garden!

Things are looking up, the weather has improved and the snow has melted... it's been a long winter, but now it's time to enjoy your garden.

At Port Sunlight Garden Centre we are ready for the planting season with a jam-packed plant area full of patio plants, flowering shrubs, climbers and pretty perennials. We have an outstanding selection of pre-planted containers, pots and hanging baskets. If you prefer to plant your own, choose from vibrant bedding plants such as geraniums, pansies, marigolds, senetti and much more.

Herbs make a wonderful display in containers too, add an aromatic scent to paths and are useful in the kitchen. Choose from chives, sage, rosemary and thyme to name but a few of the many useful and deliciously scented plants available to add to your plot.

It's an exciting time in the garden and here at Port Sunlight Garden Centre, so pop over, and see what we've been up to at The Place for Plants.
