

Guests gathered at Sarah White Laser & Aesthetics on 16th March to hear all about their new ULTRAcel treatment – “The New Cellular Level Skin Tightening, Lifting and Perfecting Treatment”. Sarah White Laser & Aesthetics are proud to be the first clinic to combine ULTRAcel and Obagi Medical to transform skin from within.

We are also excited to announce new larger and improved premises for Sarah White Laser & Aesthetics within the Spire Murrayfield Hospital grounds...

Please follow us on Facebook & Instagram @sarahwhiteaesthetics to keep up to date with latest news & offers.
