

Heswall Opening

SDS Rejuvenate officially opened their new clinic in Heswall on 8th March.

Attended by over 50 guests, the evening was a fantastic night!

A warm and welcoming reception area was filled to the brim with guests. The fizz flowed courtesy of Howie and his very lovely wife Sally, of The Wro bar, whilst the saxophonist set the mood with his easy listening jazz.

Dr Sally Ann-Dolan and Dr Ian Jones, owners of SDS Rejuvenate said: "We are delighted to open our second clinic in Heswall. The new clinic will provide our patients with the very best facilities for all their requirements and treatments as well as providing a relaxed and professional environment."
