

Summer is on the way! Create a wonderful outdoor haven this summer with a visit to Port Sunlight Garden Centre.

Make your plants the centre of attention around seating areas, using highly scented flowers for balmy summer evenings relaxing with friends. Get into the party spirit! Drape bunting from trees to add a touch of nostalgia to gatherings. Get comfy in a corner with blankets and throws, relax into plush cushions and light a chimenea. Illuminate your evenings with a little outdoor lighting to enhance the planting. Add ornamentation among the plants to amuse and entertain.

Pop over to Port Sunlight Garden Centre for a little summer inspiration, a visit to the Café for breakfast, lunch or afternoon cakes and a potter round the plants.
