

Do you know the MOT rules have changed?

MOT rules changed on 20th May 2018, with new defect categories and stricter rules for emissions from diesel cars.

Your car may fail if any warning light is illuminated, tyres are under inflated or there is visible smoke being omitted from the exhaust pipe.

If you have any concerns your car may fail, Irby Motors are offering a FREE pre MOT service check to cover the new changes. This offer extends to new and existing customers.

As always we still offer free MOT collection within a 3 mile radius
We can even collect and return your car if you are out at work or away on holiday

AIR CONDITIONING

Irby Motors are pleased to announce that we have the necessary, legally required accreditation that allows us to service and repair vehicle air con units. We can check and regas your air con with our brand new equipment while we carry out other work on your vehicle, such as servicing or replacing tyres.

Mechanic with 15 years' Vauxhall experience chooses Irby Motors

Irby Motors are delighted to welcome Gil to their team. He has worked at three main dealers over the last 30 years – Renault, Vauxhall and Volvo

Gil is a local family man whose hobbies include football, badminton, cycling and quoting proverbs at random points in any conversation!

He enjoys interacting with his colleagues and customers and goes out of his way to help.

Irby Motors now have five mechanics offering a comprehensive range of skills at the dealership

Irby Motors, 9 Mill Hill Road, Irby, Wirral CH61 4UB
