

Local family firm teams up with UK manufacturer to bring quality kitchens to Wirral

Steven and Carrina Rowe

Local award-winning and family-run kitchen and bedroom retailer Rowe Fitted Interiors is moving onwards and upwards in 2019. Owner Steven and his wife Carrina are a friendly and dynamic husband and wife partnership, now into their fourth year of trading in Hoylake.

They recently invested in state-of-the-art interior design software and have upgraded their showroom with exciting kitchen displays to showcase the latest furniture colours and designs, stunning worktops and feature-packed appliances.

Rowe Fitted Interiors was recently appointed as a Platinum Partner of Masterclass Kitchens, bringing cutting-edge designs, complementary colour palettes and innovative storage solutions to the Wirral.

Masterclass Kitchens was established over 40 years ago with just four staff, and has since grown to employ over 200 people who

produce and deliver high-quality, bespoke furniture from their impressive 60,000 sq ft factory in South Wales.

“We saw Masterclass Kitchens at a trade show a few years ago and were very impressed with their wide range of colour options, cabinet quality and personal customer service,” said Carrina. She added: “We felt they were the perfect addition to our business and wanted to bring Wirral residents a quality product from a reputable, customer-focused and UK-based manufacturer.”

Steven said: “We put our customers at the heart of our business and we wanted to work with a supplier that reflected our values, and Masterclass Kitchens did just that.”
