Now available to Wirral residents

Wirral residents requiring legal advice can now instruct a barrister, direct.

Traditionally, if you approached a firm of solicitors, the solicitor would handle your claim. However, at Barrister-Direct, you will have the expertise, experience and knowledge of a barrister from the first day of your legal journey – whatever type of claim you are making.

A barrister will have overall supervision of your claim, maximising your chances of success and of obtaining the maximum possible compensation for your claim.

As barristers who have over 25 years' combined experience of litigation and court hearings, your claim is in the best possible hands. In addition, you don't have to pay any extra for our service.

Just like many other law firms, we operate under a Conditional Fee Agreement, also known as a No Win No Fee Agreement, meaning that if your claim is successful, you will pay a maximum of a 25% success fee, but, if you lose your claim, provided that you are honest and do not mislead us, you won't pay us anything.

What Does Barrister-Direct Actually Do?

At Barrister-Direct we work to secure compensation in a range of claims including:

- Personal Injury including Road Traffic Accidents, Accidents in a Public Place, Accidents at Work, Industrial Disease and Accidents Abroad
- Medical Negligence

- Holiday Illness
- Criminal Injuries Compensation
- Financial Mis-Selling including Mortgage Mis-Selling, Pension Mis-Selling and Secret Commission

- We provide expertise that can help progress your claim in a much quicker and more effective manner, meaning that your claim process is shorter and you can continue with your life.
