

# BLND P G

To celebrate our first birthday, we're having a month of live music with local musicians throughout April – free entry. We have a growing collection of imported beers, and if that doesn't tempt you take a look at our impressive range of over 100 gins. Don't forget we serve 2-4-1 cocktails every day from 4pm to 8pm. If the weather isn't nice outside, console yourself with our 'when it rains it pours' half-price Prosecco (terms and conditions apply – see our website). Don't forget to stay in touch as we're planning some more and bigger events as we head into summer.
