

Time to Grow!

Spring has arrived and the plants are looking glorious, so it's time to grow, plant and enjoy the garden. With thousands of flowers across the plant area and hundreds of exciting plants delivered weekly, it's the perfect time to pick something for your plot.

Find decorative obelisks for climbing clematis, pots for patio planting and birdbaths for your garden friends. Our plant area is the place to find garden inspiration for all things outdoors.

Do you enjoy post-gardening relaxation with friends and family? Find new season garden furniture, chimeneas, firepits and garden décor across the Garden Centre for all your outdoor living.

Make time for a visit to our Café, a spring menu has just arrived... Breakfast, lunches, and afternoon cakes. Tasty lunch specials on the blackboard too, with the whole menu cooked fresh to order.

It's a fabulous time at Port Sunlight Garden Centre and in the garden too! Pop over and see what we've been up to at 'The Place for Plants'.
