

Summer is here! Time to swing the doors open and get out in the garden!

Light the firepit, add some candles, invite the neighbours and open your garden to friends and family... Summer is here and it's time to enjoy the scents and sounds of your garden.

Looking for a little al fresco inspiration? Look no further, pop over to Port Sunlight Garden Centre for your summer garden needs, pots, plants, parasols and patio sets... Lanterns, firepits and Buddhas too.

Take a stroll round the village and stop for breakfast, lunch or afternoon cakes.
