

ROWE FITTED INTERIORS

BESPOKE KITCHENS & BEDROOMS

Designing and installing award-winning, bespoke fitted kitchens & bedrooms in Wirral

Rowe Fitted Interiors is an award winning, family run business specialising in bespoke kitchens, bedrooms, bathrooms and home office/study furniture based in Hoylake, Wirral.

Owner Steven Rowe, who has over 20 years experience in the industry, decided to expand the business by launching his showroom in August 2014. Within less than a year of opening, Steven was very pleased to have achieved a finalist position in the BKU Awards for Kitchen Showroom of the Year. Rowe Fitted Interiors came second and received 'Highly Commended' on the night.

With a flair for design, Steven will create an original design personalised to you and your individual needs. Steven's caring and understanding nature has earned him a very loyal customer base with most of his work coming from personal recommendation.

His achievement was brought to light when he was awarded the 'Excellence in Customer Service Award' in 2014-2015 in association with the Business Approval Register. In support of this recognition we regularly receive glowing feedback from our customers which you can read on our testimonials page and on the Business Approval Register.

Steven works very closely with all clients and manages each project personally, every step of the way. From your initial consultation and listening to your ideas, Steven will transform them into a bespoke design, bringing your space to life. Our friendly staff team are always on hand to listen and advise you.
