

CONSIDERING MOVING HOME?

The buying and selling of a home is probably the largest transaction that most people undertake in their lives and is also ranked as one of the top most stressful things to do in life. The moving process can be far less pressurised and daunting if you are prepared for what's ahead and have appointed a firm you can trust to act on your behalf. Halsalls can guide you through the experience from start to finish ensuring it is as worry free as possible throughout.

Halsalls are able to undertake all types of property transactions, and we have built a solid reputation as a traditional and highly regarded firm of solicitors which continues to strive as a result of our personal and sharply focused advice and support to all our clients. Across the firm we have a foundation of expert legal knowledge coupled with our first-rate customer service which is delivered with care and professionalism.

As one of the first firms in Wirral to have been awarded membership of The Law Society's Conveyancing Quality Scheme this demonstrates we have the necessary skills and expertise to provide residential conveyancing advice, and is reassuring to our clients that we will provide all the information you need to understand the process, options, costs and timescales from the outset of your transaction.

Rest assured your transaction will be handled by one of our highly experienced, friendly, pro-active, fully qualified solicitors from the initial point of contact to completion. Your solicitor will communicate with you by phone, post or email at every stage and will do so in jargon free, plain English.

To ensure you know where you stand with charges, we will provide you with a written, transparent breakdown of all our fees at the outset with no unexpected or hidden charges. Our fees are fixed, fair and competitive reflecting our excellent level of personal service.
