

Sarah White Laser & Aesthetics is in the unique position of having access to allied professionals including Cosmetic Surgeons, Dermatologists and Vascular Surgeons and there is an effective cross-referral system in place, ensuring all clients receive the very best advice and care.

Mr Leith Williams

Mr Williams trained in General and Vascular Surgery in Liverpool, Leeds and Manchester and was appointed Consultant Vascular Surgeon on the Wirral in 2009.

He specialises in vascular surgery with an interest in aortic aneurysm disease, endovascular intervention for peripheral vascular disease and minimally invasive treatment for varicose veins. He also trains and supervises junior surgeons from the North West of England in the modern treatment of vascular disease.

He has a successful clinic once a month for Sarah White Laser & Aesthetics using the medical Lumenis M22 for the treatment of leg veins.

To book an appointment for one of Mr Williams's regular clinics at Sarah White Laser & Aesthetics, please call the clinic on 0151 929 5223/07764 615934.

Mr Carl Jones

Mr Jones is qualified both as a doctor and as a dentist and provides maxillofacial and facial plastic surgery services.

He has a particular interest in the management of facial skin cancers as well as general facial plastic surgery, the management of facial deformity and the treatment of facial injuries. He is also known as the go-to surgeon for eyelid lifting surgery (blepharoplasty).

He has lectured widely on the subject of facial plastic surgery and facial cosmetic surgery. He is affiliated to a number of plastic and facial surgical societies and is currently an active member of the Association of Facial Plastic Surgeons.

Mr Chandrashekar

Mr Chandrashekar is a Specialist Onco-Plastic Surgeon specialising in breast reconstructive, corrective, oncoplastic and aesthetic breast surgery. Offering his patients the very latest and evidence-based treatments, he is extremely passionate about his work and tirelessly endeavours to innovate and advance the science and art of breast-oncoplastic surgery.

He is Consultant in oncoplastic and reconstructive breast surgery at Spire Murrayfield Hospital, Barnston, Royal Liverpool University Hospital and an honorary senior lecturer in Clinical Sciences at the University of Liverpool. He has practising privileges at the Spire Lourdes Hospital in Liverpool and is on the Specialist Register of the General Medical Council, is a member of the Association of Breast Surgeons, British Association of Surgical Oncology, European Society of Surgical Oncology, and the British Association of Plastic, Reconstructive and Aesthetic Surgeons, UK.
